**January 29-31, 2010**

**NLP Training Concepts**  
*A life changing experience*

It doesn't matter whether you completed the Essential Mind Power Training (Silva 2000 Basic) last month or years ago. It doesn't matter whether you use the techniques a on a regular or only sporadic basis, it's time you move to higher and more powerful levels of success through effectively applying the power of your mind.

An advanced course is for anyone who wants to move further into the realms of mind more to create a more finely attuned quality of life and build on the training experience from the Essential Mind Power Program (Silva 2000).

*You will develop new skills and access deeper levels of mind... build sustaining beliefs to support the creation of your own positive and compelling future... experience a depth of compelling trust and gain genuine peace of mind... and train your subconscious to work in alliance with your ultimate good...*
